## DID YOU EVER STOP TO THINK

By Edson R. Waite, Shawnee, Oklahoma

O. L. PRICE, GENERAL MANAGER OF THE PORTLAND OREGONIAN, SAYS:

THAT advertising has done more to raise the Standard of Living for the masses than any other economic agency and likewise the so-called poor people are the only ones rich enough to make business prosper.

Wealthy men and wealthy organizations can only create the opportunity for business. The masses are the only ones with enough money to make it possible to do business. Unless the masses can be interested in bartering their labor and their money for the utilities of life, there can be no lasting, prosperous business.

Newspaper advertising has done more to inform the masses of the real progress this modern world is making than all the text books in existence. Newspaper advertising has first informed the masses as to those utilities that make life more desirable and interesting, and then inspired them to possession of these advantages. Newspaper advertising is the modern economic miracle that has put the balance of economic power in the hands of the masses.

A MILLION DOLLAR ADVERTISING CAMPAIGN CAN BRING MORE MATERIAL ENJOYMENT TO THE MASSES OF ANY COUNTRY THAN A BILLION-DOLLAR VICTORIOUS WAR COULD BRING TO THEM.

## THE FAIR READY TO OPEN.

As the Anvil Herald goes to press, Hondo is a busy place. Participants in the various features of the Fair are giving the last touches to the

preparations, and by the opening hour, 10 o'clock a. m. tomorrow, Saturday, November 9, all will be in readiness for entertaining one of the largest crowds ever gathered in Hondo.

Elsewhere on this page will be found a copy of the official program, the gift of Hondo's business people to the Fair. The program may be varied somewhat, but the general outline will be followed.

This year's program offers one of the best race meets of all Southwest Texas Fairs. The various communities of the county will have floats in the parade and this will bring hundreds of visitors. Monday will be school children's day, and the schools of the county will again put on a grand pageant, Monday night being the occasion for this.

All in all, there will be three big days of fun and frolic for all who wish to join in the festivities of the occasion.

## TEXAS & TEXANS

### TEXAS AND TEXANS.

By Will H. Mayes

#### Electrical Output Increases

A few weeks ago this columnist stated that he regretted to report that Texas stood thirteenth in electrical output for the year 1927, the figures for that year being the latest he has seen. It is the business of friend W. C. Edwards, of the Texas Service Information Bureau, to know the very latest statistics about Texas development, so he writes to say that for the first six months of 1929 Texas has held the eighth rank in the production of electricity and bids fair to keep it up for the rest of the year. Every month of this year the increase has been 25 per cent over the amount used in the corresponding month of last year.

Texas are just beginning, too, to appreciate the advantages of a more general use of electric current, will doubtless be the largest consumer in the country, leading in rent, and in the few years the State that as it does in almost everything else.

#### That Highway Patrol

The motorcycles have been bought for the fifty highway patrolmen who will soon be policing the State highways. Judging from the newspapers about the first duty of the force will be to teach the bus and truck operators that they do not own the highways of the State. There is much complaint that the drivers of these huge motor vehicles insist on using the middle of the highways with little or no regard for the drivers of lighter vehicles. The next legislature will have to take some steps to curb the fellows who have no respect for road ethics and may have to go to the extent of cancelling the licenses of those guilty of repeated offenses.

#### Junction Improvements

Junction, in Kimble county, has just built, or is completing, three churches and one courthouse, and evidently the people there intend to try to make the people good by law if they can't be persuaded to be good by the churches. Junction is a growing county seat, though, and growing towns are having to build new churches and public buildings to keep pace with their neighbors. The more generously a people support and use the churches and church buildings the less use they are likely to have for the courts and courthouses. But even though courthouses may be little patronized the people want buildings of which they may be a bit proud.

#### Bank Accounts Increase

The report of the Federal Reserve Bank at Dallas for the week ending October 23 showed that 87 banks in 17 reporting centers had \$49,754,000 increase in deposits over the previous week and \$20,418,000 over the corresponding week of 1928. This is a fair index to the financial condition of the section.

The flurry, with accompanying losses in Wall Street recently, should prove a good thing for this country. For a time at least, it will release for use in this section vast sums of money that have gone into wild speculation in New York. The burnt child avoids the fire that but lately burned it, though the lesson of playing with fire is forgotten after a time.

#### MARRIED.

Mr. Robert Wiemers and Miss Irene Stiegler were married Wednesday, October 30, 1929, at the New Fountain Methodist parsonage, Rev. Robert A. Moerner performing the nuptial ceremony.

The groom is a son of Mr. and Mrs. Benj. F. Wiemers while the bride is a daughter of Mr. Fritz Stiegler. They have a large circle of admiring friends whom the Anvil Herald joins in extending congratulations and best wishes.

The young couple will make their home in San Antonio, where Mr. Wiemers is employed as a mechanic in the Goad Motor Co. shops.

#### REV. MOERNER RETIRES.

Rev. Robert A. Moerner, for the past several years pastor of the New Fountain Methodist Church, was placed on the superannuate list by the annual conference in San Antonio last week, and on Thursday of this week moved with Mrs. Moerner to Mason where they will make their home with their children. Rev. Moerner made many friends while a citizen of Medina County, and all unite in wishing him all the pleasures of a well-earned rest.

He is succeeded by Rev. E. W. Deckert as pastor of the New Fountain church.

#### San Saba's Real Builders

A San Saba correspondent, who evidently is not W. A. Smith of the San Saba News, says that all the major movements in civic progress in that town are to be accredited to the women and not the men, and that in the past year the work that has materialized is due to the activities of the women. While "Billie" Smith busies himself writing his "Son-of-a-Gun" prattle and attending press association meeting, Mrs. Billie is heading the women's auxiliary of the chamber of commerce and, with the help of various committees of women, is bringing about worth while things for the town, says the report. We repeat it—Billie didn't write that report.

#### Enlarging Creamery Plants

Palestine has a creamery built some while ago and thought then to be about all that a mere creamery needed in the way of a plant. Extensive repairs, improvements and enlargements are now found necessary. The wooden building is to be changed into a brick veneer structure, plate glass windows are to be put in, and the plant is to be modernized throughout. Practically every one of the first-built creameries and milk products plants in the State have had to be enlarged to handle the increasing business. The dairy business of the country is coming South rapidly and Texas will soon become as noted for its herds of dairy cattle as it has been for beef cattle.

#### Marfa's Improvements

Marfa, out in Presidio county, seems to be headed toward some worthwhile improvements. Plans have been completed for a modern hotel with sixty guest rooms, which indicates that Marfa has many visitors. A vote is to be taken on a \$600,000 road bond issue, an indication that Marfa believes in good roads. A glance at the issue of the Sentinel, the local paper that contains this news, shows that one of the greatest needs of the town is some merchants who know and appreciate the value of business and to a town of modern advertising methods. A town seldom outgrows the progressiveness of its merchants, and modern business progress is built about advertising.

#### Marlin Starts New Hotel

Marlin has long suffered for lack of sufficient hotel accommodations, but work there has begun on an eight story, 110 room, hotel building which is to be completed by next May. Marlin has needed more hotel room to make it the health resort it has tried to become without enough hotel facilities to take care of the people who have wanted to go there.

Mineral Wells has completed its new hotel and it is said that it will be filled with guests from the beginning. The only way to build up a resort is to be prepared to take care of the resorters.

#### Decatur Ships Milk

Decatur is shipping whole milk to El Paso in train load assignments, so the papers report. If El Paso needs milk, why shouldn't Texas dairies supply it? Just why El Paso doesn't encourage local dairying, at least sufficient to supply the city with milk is not explained, but as it does not, Decatur is to be congratulated for being able to keep El Paso from getting milk hungry.

#### KOHEKIA CLUB.

Mrs. Gordon Barry and Mrs. Malcolm Broxton entertained the Kohokia Club on Wednesday evening. The Halloween motif was cleverly carried out in the table appointments and decorations. Miss Way received the high score prize, Miss Watson the prize for low and Miss Heatly the consolation prize. Guests were Misses Vera Lee Cook, Margaret Downs, Louise Sights, Mr. and Mrs. Broxton and Mr. and Mrs. Barry. A delicious plate lunch was served after the bridge games.

## CLUB MEETS.

Last Monday the Delladona 4-H Club met at the home of Mrs. Otto Jungman here, with Home Demonstration Agent, Miss Ida Reynolds of San Antonio present.

The program for the day was to bring together all the club work of the past year for exhibit at our Bazar and Medina County Fairs.

All old members were present as well as several new members, who were taken into the club at said meeting. All seemed to enjoy the nice handwork and canning which was done during the last four meetings. It was also brought up that at the next meeting in November the club's Christmas Party will also take place, and every one is looking forward for a good meeting.

The next meeting will be held at the home of Mrs. H. F. Franger.

## BOY SCOUT TROOPS VERY ACTIVE.

A number of troops in Southwest Texas Area are on the job, and are passing tests, have either had a Court of Honor, or expect to have one this week or next.

Among the outstanding ones is Troop 7 of Eagle Pass, under the able leadership of R. A. Braithwaite, Secretary, Chamber of Commerce of Eagle Pass. They conducted one Court of Honor recently, in which four Scouts were advanced to Second Class and three to Star Scout rank, and two Scouts passed the tenderfoot tests. They are to be ready for another Court of Honor soon.

The troop is growing and additional leadership is being enlisted to assist Mr. Braithwaite.

Hondo Troop No. 30, under the leadership of Scoutmaster Phil C. Jagge, had a Court of Honor and Investiture Ceremony Wednesday night of last week. Five new 12-year olds were made Scouts, seven advanced to Second Class, and the crowning event was when Scout Curly Mechler appeared before the Court and made his application for four additional merit badges, thus making him an Eagle Scout, he having passed all the required merit badge subjects and enough additional ones to make twenty-two in all.

This makes three fine Scouts that really earned that honor. They are as follows: Billie Burdett of Leakey, Bruce Ivey of Crystal City and Curly Mechler of Hondo. This is quite an honor to come of the ranks of five thousand boys of this Area and be thus honored.

A number of other Scouts are working hard for this honor. We wish them success and pledge them our assistance in every way. We want some Eagle Scouts out of Del Rio, Eagle Pass, Sanderson, Rock Springs, Brackettville, Sabinal, Asherton, Carrizo Springs and Uvalde.

Courts of Honor are dated for Crystal City the 14th, Carrizo Springs the 11th or 12th, Eagle Pass the 22nd, Del Rio the 18th or 19th and Uvalde the 7th or 8th, and as the results are published, we hope to stir up some enthusiasm and real competition.

At a recent meeting at the camp site of the Camp Committee, of which Mayor V. A. Brown of Rock Springs is Chairman, the following interested folks were present: Mr. and Mrs. V. A. Brown, Mr. and Mrs. W. J. Muller and Gay Franks of Rock Springs; President and Mrs. E. K. Fawcett and Mr. Baker of Del Rio; Mr. and Mrs. V. G. Deason and Mr. and Mrs. Frank Lane of Brackettville; Major K. Alexander and son, Kay, Jr., of Sabinal; Mr. L. C. Picot and Miss Cazell of San Antonio; D. W. Price and H. B. Palmer of Uvalde; Mr. Brown declared his intention of going ahead and collecting the balance of the funds necessary to purchase the site for a permanent camp. Attorney Muller has the title practically completed and nothing further can be done until the remaining part of the \$6000.00 purchase price has been raised in the ten counties. Uvalde, Val Verde, Edwards, Real, Kinney, Terrell and Medina have raised about \$4500.00 of this amount.

Oh, but what a site the youth of Southwest Texas will have for a playground for all time to come! The possibilities can hardly be enumerated. Major Alexander, an engineer of wide experience, is soon to make a topographical map and landscape plan for future development.

This one thing that these fine men are doing for the Southwest ought to encourage every Scout to do his dead best to make a real record for himself and his troop.

Let's go, Scouts!

DEVINE NEWSLETS.

from The Devine News.

A GOOD WOMAN PASSES TO HER REWARD.

After many weeks of weary illness and great suffering, death claimed Mrs. R. S. Howard, early Monday, at her home in Devine, surrounded by her heartbroken husband and devoted children, who had done everything possible to stay the grim reaper. Deceased's maiden name was Texas Leona Blevins, born in Florence, Williamson County May 24, 1867. She came to Medina County, with her parents, in early life, and in June 1886 she was happily married to R. S. Howard, who with four sons and five daughters survive. The sons are: Rev. R. C. Howard, Oklahoma City; John W. Howard and Lonnie P. Howard, of Devine; and Jesse L. Howard, of Georgetown; the daughters are: Mrs. L. L. Tilley, of Corpus Christi; Mrs. N. A. Briscoe, of Devine; Mrs. Everett Luther, of Crystal City; Mrs. Jim Berry, of Dawson and Mrs. Jewel Tomblin, of Muskogee, Oklahoma. Besides these she is survived by three sisters, Mrs. Tenne Aaron, of El Centro, California; Mrs. Mollie Price, of Prescott, Arizona; Mrs. Lee Teeson of Colorado; several grandchildren, and friends numbered by those who knew her.

FROM BIRY.

Mrs. R. L. Nations and Mrs. D. Pratt from Somerset spent last Tuesday with Mr. and Mrs. Hugh Love.

Mrs. Chris Hanson returned to her home at Lockhart after spending a week with her parents, Mr. and Mrs. A. O. Biediger.

Messrs. Freddie Wernette and Theo Bilhartz from San Antonio spent Sunday with the homefolks.

Mr. J. L. Wernette and son, Clarence, spent one day in San Antonio.

MRS. A. D. JACKSON FAILS TO RALLY; DIES ABOUT NOON.

Failing to rally from an emergency operation Tuesday, following a first operation a few days ago, Mrs. A. D. Jackson of College Station, died about noon today in a local hospital. Though her condition was known to friends to be critical, news of her death came as a shock to a wide circle of acquaintances in Bryan and at College.

Mamie Angela Beck was born in Pike County, Alabama, January 20, 1878, and spent her girlhood there. She was married at Glenwood, Alabama to A. D. Jackson on October 11, 1898, after a courtship that had its beginning in their school days together. They came to Mineola, Texas, to make their home where Mr. Jackson was employed as a teacher and lived there until 1907 when they moved to Crystal City.

At Crystal City Mr. Jackson launched the Crystal City Chronicle, one of the first newspapers to be published in that section. Theirs was the first residence in the new town, and their home was open to the many visitors who could not find hotel accommodations under the pioneer conditions that existed in all western towns in that day.

In 1920, Mr. and Mrs. Jackson and their family came to College Station where he became editor of publications for the Experiment Station and during their ten years residence here, Mrs. Jackson has been actively associated with the work carried on by the College Methodist group. She has been a devout member of the Methodist church since she was 15 years old and has been known as one of the faithful and untiring workers in the local Methodist group. She has been mother counselor to many A. and M. Cadets during her residence on the campus.

Besides her husband, Mrs. Jackson is survived by seven children as follows: Ben H. of San Francisco, Cal.; Sam of Sweetwater; Dan S. of Baytown; Joe of the U. S. Navy now stationed with the S. S. Saratoga at Bremerton, Wash.; Lee, A. D. Jr. and Ina are at home. One child passed away in its infancy some years ago.

Other relatives who survive and who were at Mrs. Jackson's bedside when she expired are: Dr. W. J. Beck of Taylor, Mrs. J. B. Moxie of Brantley, Ala., and Mrs. J. B. Pollock of Ardmore, Okla.

John C. Jackson of Beaumont, Grover C. Jackson and Chas. F. Jackson of Crystal City, all brothers of Mr. Jackson, and their sister, Mrs. G. W. Reed of Crystal City, are all enroute to College. The funeral will be held at the Methodist tabernacle, the hour and date pending arrival of sons and other relatives now enroute.—Bryan Daily Eagle October 30.

Mr. Jackson's old Southwest Texas friends sympathize deeply with him and his children in their great loss.

## Majestic Offers "Big Time" and "Chorus Ladies" Next Week

Scene from "Big Time," Fox Movietone all talking drama with Lee Tracy and Mae Clark.

Lee Tracy, famed on Broadway for his characterizations in "Broadway" and "The Cat and the Canary," and other successes, is featured in the Wm. Fox Movietone romance, "Big Time," which starts at the Greater Majestic theatre in San Antonio next week.

Mae Clark, who recently played on the Majestic stage as a member of a song and dance team, and who has been raised to stardom in Hollywood almost overnight, has the principal feminine role in the picture, although Daphne Pollard and Josephine Dunn, both are prominent in the cast. Stepin Fetchit, the celebrated negro comedian, is to be seen and heard in his inimitable comedy character.

"Big Time" is all talking, singing Fox Movietone feature.

The stage show fits in nicely with "Chorus Ladies," a ten people flash act headlining the bill. Corinne Marsh is the bright star of this scintillating act, and Lou Melan is featured.

Other big time acts on the bill include Bessie and Balfour, Chisholm and Breen and the Murray Sisters, and Billy Potter and Company.

Lenore Ulric, famed Belasco dramatic star, comes soon to the Greater Majestic in "Frozen Justice," her talking picture debut. It is said to be a terrific dramatic sensation.

"JOLTOGRAPH" GUARDS CARS IN SHIPMENT.

Mechanical Watch Dog Accompanies Oakland-Pontiac Sixes During Delivery By Freight

The "joltograph" a near cousin of the seismograph—that delicate instrument which records earth tremors—has entered the service of the Oakland Motor Car Company.

The new device, formerly called the impact register, is being subjected to extensive tests by R. L. Reese, Oakland traffic director, who expects to use it as a means of recording the treatment accorded Oakland and Pontiac Sixes while enroute by freight to Oakland-Pontiac dealers. He believes the "joltograph" will prove valuable as an additional protection both to the Oakland Motor Car company and to those who buy its automobiles.

Placed in a freight car with a shipment of Oakland or Pontiac Sixes the machine serves as a mechanical watch dog which automatically makes a day and night record of the trip.

A fine wavy line drawn on a roll of paper, as it is slowly revolved by a clock-like apparatus of springs and wheels, faithfully records any excessive jars or bumps encountered in transit. Shocks of unusual violence cause the line to move from its usual position just as does the line on a seismograph.

The exact hour and minute of such a jolt also is recorded, thus enabling the Oakland Traffic Department, by inspecting the transit data, to identify and check the responsible railroad. Mr. Reese's theory is that

the railroad, appreciating Oakland's additional concern in freight shipment and consideration in their programs, will extend special co-operation of delivering Oakland and Pontiac cars to the customer in the finest condition possible.

ECONOMICAL GAS CONSUMPTION.

Paying high tribute to the economy and performance of the low-priced automobile, especially as a means of long distance travel, the Rev. G. W. Gasque, Rector of the Episcopal Church of the Incarnation, today recited some of the accomplishments of his new six cylinder Chevrolet coach on a recent 10,618 mile loop tour of the western half of the United States during which he averaged 22.3 miles to the gallon of gas.

Accompanying Mr. Gasque on the seven weeks adventure were Mrs. Gasque and their young daughter, Anna Lee.

The long trip was made on schedule time so that the minister could fill speaking engagements in prominent Episcopal churches along the way. The route led from Atlanta to Chicago, by way of Nashville, Evansville and Indianapolis, thence across the northwestern states to Seattle, down the Pacific Coast through Portland, San Francisco and Los Angeles back home across the desert country of Arizona and New Mexico.

A highlight was the climb of Pike's Peak over a tortuous roadway that stretches 13 miles along the mountain side. Dr. Gasque reports that the car carried its party to the summit without faltering and without heating the motor. Many other cars attempting the climb were forced to halt along the roadway to cool off before continuing, he said.

Dr. Gasque kept an expense book of the trip, which discloses interesting facts about the performance of the car. Having been newly purchased when the trip began, the car was not extended during the first 500 miles of driving. During this period it averaged 18 miles to the gallon, the book showed.

When the car was broken in, however, the gas mileage was greatly improved. For the entire 10,618 miles, which included driving in cities and in open country, the Chevrolet consumed 478 gallons of fuel, an average of 22.3 miles to the gallon. The gas bill on the trip was \$107.18. Sixteen and one half gallons of lubricant were used, costing \$22.25. The minister's book showed no expenditures for mechanical repairs.

CONGRATULATION, LAREDO.

The people of Dimmit county, Carrizo Springs in particular, while regretting keenly the transfer of Rev. A. M. Foster and his estimable family to Laredo, are glad that the transfer come in the form of promotion to a larger field of usefulness. The people of Laredo are to be congratulated upon the acquisition of a man like Mr. Foster. He is not only outstanding as a preacher, but as a citizen. A man of broad human sympathies, his contacts with the people are most kindly, and his work in worthy civic activities untiring. —The Carrizo Springs Javelin.

Speed Spirit Stamina

beyond anything you have ever known at its price

Watch the Pontiac Big Six on the open road, revealing top speeds such as no other car in its field can match. See it leap eagerly ahead at a green light, accelerating with unrivaled snap and spirit. . . . Pontiac is equally far ahead of its field in stamina and long life, due to many wear-resisting features such as crankcase ventilation which prevents dilution of engine oil—positive full pressure lubrication at all speeds—and the Harmonic Balancer which counteracts torsional vibration in the crankshaft. . . . Come in today. Learn how easily you can own and enjoy the finest car the market affords at its low price.

Pontiac Big Six, \$745 to \$895, f.o.b. Pontiac, Mich., plus delivery charges. Bumpers, spring cones and floorpan shock absorbers require equipment at slight extra cost. General Motors Time Payment Plan available at minimum rate.

Consider the delivered price as well as the lowest f.o.b. price when comparing automobile values. . . . Oakland-Pontiac delivered prices include only a nominal charge for freight and delivery and the charge for any additional accessories or financing desired.

## MRS. H. J. MEYER HONORS MRS. D. EDDLEMAN WITH BRIDGE.

Honoring Mrs. Clyde Davis Eddleman, who with her little son, Clyde Davis, Jr., recently arrived from Manila, P. I., for a visit with her parents, Mr. and Mrs. L. E. Heath, Mrs. H. J. Meyer entertained some fifty friends with a bridge of charity appointments on last Wednesday afternoon. Receiving with the hostess were the honoree and her mother, Mrs. L. E. Heath. Little Miss Mary Elizabeth Meyer and Evelyn Knopp, in Halloween costumes of black and orange, distributed tallies and ushered the guests into the reception rooms where card tables covered to harmonize with the festive decorative scheme, were placed and an atmosphere of Halloween pervaded. African Marigolds and fern and draperies of black and orange adorned the rooms and over the whole, orange shaded floor lamps cast an amber glow.

Four games of bridge were played, Mrs. F. H. Schweers holding high, Mrs. C. J. Monkhouse second high and Mrs. Hugo Schweers low. For consolation the hostess had all guests draw a card from a deck and hold till the Halloween spirits, Evelyn Knopp and Mary Elizabeth Meyer, the former shuffling and the latter dealing the card, decided who was the lucky one. Mrs. Robert Bendele held the lucky card and received the consolation prize. Attractive prizes of cut glass and fine hand-painted china were given the honoree and holders of high, second high, low and consolation. At the close of the evening a two course luncheon was served, consisting of cold chicken salad on shredded lettuce, stuffed olives, potato waffles, hot buttered rolls and tea and orange sherbet and nut bars.

The guests were Mesdames E. J. Linweber, M. Broxton, August Broeder, L. J. Brucks, R. Matocha, Ney, Volney Boon, Ed Connevey, Fred Rath, Ernest Britsch, Harry Buch, C. J. Monkhouse, P. Jung, W. H. Smith, Chas. Finger, C. Eddleman, L. E. Heath, Ray Jennings, F. H. Schweers, Earl O'Neal,

## DR. AND MRS. TAYLOR ENTERTAIN.

The Thursday Bridge Club and a few guests were charmingly entertained with a Halloween party at the home of Dr. and Mrs. O. B. Taylor on Thursday of last week. The reception room and dining room were decorated in Jack o' lanterns, black cats and owls and festoons of black and orange.

After a delicious plate lunch a number of spirited games of bridge were played. Mr. E. Starnes and Mrs. W. H. Smith received prizes for high scores and Mr. and Mrs. R. Decker carried home the low score prizes. Those enjoying the hospitality of Dr. and Mrs. Taylor were Dr. and Mrs. W. H. Smith, Dr. and Mrs. H. J. Meyer; Dr. and Mrs. T. B. Knopp, Mr. and Mrs. Earl Starnes, Mr. and Mrs. Horace Bradley, Mr. and Mrs. L. E. Heath, Mr. and Mrs. R. Decker, Judge and Mrs. R. J. Noonan, Mr. and Mrs. Elmer J. Linweber, Mrs. O. H. ## EPWORTH LEAGUE PARTY.

On October 30 the Epworth League gave a party at the home of Mrs. Alfred Schweers. There was the usual fortune telling booth, presided over by Thelma Wilson. Another game was feeling the parts of the body of a disembodied ghost. Other games were enjoyed, after which refreshments consisting of sandwiches, punch and cookies were served to the members and invited guests. Chaperones of the evening were Rev. and Mrs. Williamson and Mrs. Alfred Schweers.

## HONDO AND MAVERICKS OF PEARSAILL FAIL TO SCORE IN HARD BATTLE

Both Teams Turn in Best Games  
of Year; Owls Show Vast  
Improvement

The Hondo Owls last Friday invaded the rough, sandy pasture of the Pearsall Mavericks and corralled the Mavericks for the most of the game in their own end of the lot. Neither team could score in the thrill packed game, but Hondo came the closest to pushing over a counter. In the third quarter Stanley grabbed a pass tossed to him by Windrow and went to the 6-yard marker before being dragged to earth by the frantic Pearsall players. The Pearsall team team braced itself and held Hondo for downs, the Owls losing their best scoring chance. While scoring 14 first downs to the Owls 11 the lads of Pearsall penetrated the Hondo 20-yard line only once and then only for 5 yards. Meanwhile the Owls went within the Maverick's 20-yard line 4 times.

The Hondo team had the Pearsall herd stampeded by the alertness of the Owls, who were ever ready to fall on a fumble made by either team. Both teams used a double pass, but Hondo worked its for longer gains and were stopped only once, while Pearsall was thrown for a loss on several occasions. Wilson threw a scare into the entire Maverick outfit by completing three passes for as many first downs. Weathers was the whole show for the Pearsall team, scoring four first downs in succession in one quarter.

The Hondo team showed improvement in every department of the game but their tackling. The Owls still hesitate about diving at the runner from the side or back. The line was stacking the longhorns on nearly every time and Meenier was a tower of strength which the Pearsall boys could not push over.

M. Haegelin, who was branding the Mavericks with terrific tackles and dealing misery to the entire Pearsall outfit, sprained his ankle in the third quarter and had to be removed from the game.

The play by play account of the game:

### First Quarter

With Hondo defending the north goal, Windrow kicked off to the 20-yard line and downed the returner on the 33-yard line. Weathers went around right end for 5 yards then Pearsall made first down at left tackle with 6 yards. Weathers hit center for 4 and 1 yards on two tries. Pearsall was penalized 5 yards and Skinner punted 40 yards to Windrow, who returned the ball 10 yards. Haegelin was stopped at the line and Windrow lost 1 yard at left end. Windrow punted 35 yards to Pearsall. Weathers made 17 yards and first down on a double pass. Meenier stopped the next play at the line for no gain. Pearsall circled left end for 15 yards and first down. The Mavericks made 7 yards on three drives at center, then Weathers made first down on the fourth drive at center. Hondo penalized 5 yards for off-sides. The Mavericks were stopped at the line and penalized 5 yards for the backfield being in motion. Weathers made 5 yards at right end but was stopped by Meenier at the line on the next play. Hondo stopped a second line plunge and took the ball on their 20-yard line when Pearsall failed to complete a pass. Windrow slipped around right end for 17 yards and first down. Finger fumbled after 4 yards but Jones snatched the ball and went 4 more yards before downed. Jones drove through left tackle for 11 yards and first down. Windrow made 6 yards and then recovered a fumble for no gain before punting 40 yards to Pearsall, the Mavericks returning the ball 10 yards. Skinner went around left end for 11 yards and first down. Pearsall tried their double pass again but weathers was smeared with a 1-yard loss. After making 2 yards at left tackle Pearsall punted 23 yards and Bilhartz killed the ball. Jones made 10 yards and first down on an end run and cut back as the quarter closed. Score, Hondo 0; Pearsall 0.

### Second Quarter

Hondo's ball on their 42-yard line and first down. Jones made 2 yards at the line. Hondo worked a double pass for 5 yards around left end, Windrow to Pettis to Haegelin. Pearsall penalized 5 yards for off-sides giving Hondo first down. After windrow made 8 yards at right end, Jones hit center for 3 yards and first down. Taylor in for Rieber. Windrow, Pettis and Haegelin worked a double pass for 1 yard. Windrow's long pass to Wright was wild. Pearsall was penalized 5 yards for off-sides and on the next play intercepted Windrow's pass. Weathers recovered his fumble for no gain and made 1 yard at left end on a second try. Pearsall punted 15 yards, Windrow making a fair catch. Finger made 3 yards at right end. Jones was stopped on a fake end run and a second fake end run also failed to gain. Windrow kicked out of bounds on the 21-yard line. Bilhartz made 9 yards at end and Sanders made first down at the line. Pearsall worked their double pass for 20 yards and first down. Pearsall made 3 yards before being forced out of bounds, then added 2 yards on each of two drives at the line. Weathers failed

to make first down and the ball went over to Hondo. Haegelin lost 11 yards on a fumble. Windrow tried two long passes but both were incomplete and Hondo was penalized 5 yards. Windrow kicked 25 yards out of bounds. Pearsall made 1 yard at left end and then fumbled for no gain. The Mavericks worked a double pass for 8 yards but were called back and penalized 5 yards for off-sides. Pearsall's pass was wild and the Owls took the ball on their own 29-yard line. After failing to complete the first pass tossed him, Wright snatched the second for 11 yards and first down. Stanley in for Wright. Hondo pulled a double pass for 20 yards and first down, it being Windrow to Stanley to Finger. Windrow made 4 yards and then passed to Pettis for 5 yards. Jones hit the line for first down as the half ended. Score, Hondo 0; Pearsall 0.

### Third Quarter

Bailey kicked 30 yards with Pearsall returning the ball 15 yards. Skinner was stopped at the line. Hondo fell on Pearsall's fumble. Jones made 1 yard and Windrow was stopped before Hondo kicked over the Mavericks goal giving the ball to Pearsall on the 20-yard line. Skinner made 7 yards off left tackle and Weathers went through center for 14 yards and first down. Skinner made 2 yards on each of two end runs and Weathers made 5 yards but was called back and Pearsall penalized 5 yards for off-sides. Pearsall punted 30 yards and killed the ball. Finger made 4 yards at the line. Haegelin was stopped on an end run and Windrow punted 30 yards, Pearsall being stopped with a 3-yard return. After making 3 yards at center Skinner got 7 yards on a cut back over tackle for first down. After being stopped at the line, Skinner made 4 yards on a double pass. Pearsall was penalized 5 yards for off-sides. Wilson in for Haegelin. Skinner made 4 yards on a line buck and 5 yards on a second drive at the line. Hondo took the ball on downs on their 28-yard line. Windrow made 3 yards at right end and then tried a pass but it was broken up by Pearsall. Finger made 1 yard and Windrow punted to the 27-yard line and Steinle recovered for Hondo. After being stopped at the line, Windrow passed 10 yards to Stanley, who went to the 6-yard line before being downed, for first down. Jones drove at the line three times for 3 yards and Windrow lost 5 yards on an end run. Pearsall took the ball on their 8-yard line and Weathers made 4 yards as the quarter ended. Score, Hondo 0; Pearsall 0.

### Fourth Quarter

Skinner made 1 yard and Pearsall kicked to Windrow, who made a fair catch on the 38-yard line. Windrow, Stanley and Finger failed to gain on a double pass. Finger was stopped then Wilson completed Windrow's pass for 15 yards and first down. Hondo fumbled and Pearsall recovered on their 25-yard line. Pearsall made 2 yards on a double pass. Hondo was penalized 5 yards for off-sides and Weathers made 7 yards after being stopped on the first try for first down. Skinner fumbled and was thrown for a 5-yard loss. Pearsall made 5 yards and then punted 20 yards killing the ball. After making 1 yard, Windrow, Pettis and Wilson worked a double pass for 25 yards and first down. Wilson snatched Windrow's pass for 15 yards and first down. Windrow made 4 yards at left end and then passed over the goal line giving Pearsall the ball on the 20-yard line. Weathers made 11 yards and first down on a double pass. Weathers hit the line for 5 and 6 yards making first down. After getting 2 yards at center, Weathers went around end for 15 yards and first down. Weathers dove at the line 3 times for a fourth first down. Hondo's line braced and held Pearsall to take the ball on the 30-yard line. Rieber in for Taylor. Windrow's pass was blown out of bounds. Pearsall intercepted Hondo's pass on the 36-yard line. Finger broke up Pearsall's pass and the Mavericks were stopped at the line on the next play. Hondo was penalized 5 yards for off-sides and Skinner was smothered with a 15 yard loss as the game ended. ## FARM LOANS

The Hondo National Farm Loan Association, H. E. Haas, Sec.-Treas., Hondo, Texas, representing 260 borrowers with \$1,025,280.00 borrowed, is prepared to make farm loans anywhere in Medina County under the Federal Farm Loan Act at 5 per cent interest and 1 per cent 36 year amortization repayment plan. Sixty-two thousand Texas farmers have taken advantage of this system of borrowing over one hundred eighty-one million dollars. Why not you? Former restrictions have been taken off and you may borrow for any purpose provided for in the Act, as a farmer only.

## BOGUS RELIEF.

Mr. Poteet of Rexton, in one of his recent characteristic articles, prodded the "business men of the South" for not doing something to "stop the decline of cotton now."

Sure, that "something" should have been done long ago, or at least it should have been done by Congress last Spring when it was juggling with the so-called farm relief bill.

No Congress ever handed to agriculture a bigger "lemon" than the present Congress has just delivered to farmers. Farmers are now generally irredeemably in debt. They are fast losing their land, and yet Congress has just said to them: "Organize, cooperate, borrow more money and pay more interest. That will help you."

It looks like a species of chiding mockery. The unspoken secret is that speculators and money lenders can handle the farmers to their liking a little better in groups than they can individually.

The farmer is already down in the mire, hog-tied and helpless, and yet the beasts of prey stood around in Congress prodding him and saying: "Get up and help yourself; we will lend you money and take your stuff at whatever price the 'economic test' justifies." Such bunk!

The case is clear that neither the present Congress, nor its newly constituted farm board, is any friend of the farmer. They are his devouring enemy.

The real remedy is a new Congress, elected and instructed by the working and producing classes to frame a real government money system which can be used for their good. It seems so foolish to expect relief in a legislative way, from the agents of money making and money lending corporations. By these, Congress seems to be usually dominated.

P. A. SPAIN,  
Paris, Texas.

Farm lands are cheaper on the average than they have been since war-time prices for farm and ranch products sent them up to figures out of all proportion to what they will produce under average conditions. Still there are fewer people than ever buying farm homes. Whether or not they will go still lower before the inevitable reaction takes place no one can tell, but the soil will always remain mankind's chief source of food supply. The waters of the oceans and the streams supply but little by comparison. Because the soil is man's source of food supply every man who can should own as much of it as he can afford and can profitably utilize. By the same token, syndicate acquisition of land should be discouraged as much as possible.

ing out in my mouth. My nerves were upset, I never slept well, and there was an awful pain in my side near my gall bladder. I was habitually constipated and had one headache after another.

"I had no idea any medicine could do for me what Sargon did. There isn't an ache or pain in my body now! My stomach is in fine condition and the blisters in my mouth are gone. I'm no longer nervous, but sleep fine and since the Sargon Pills put my liver in working order, I've been entirely free of constipation and headaches. I think Sargon is the grandest medicine on earth.—Mrs. J. E. Cox, 3212 Holmes St., Dallas. W. H. Windrow, Agent.

## BASKETBALL TEAM FROM MEXICO CITY TO PLAY HONDO OWLS JANUARY 6

The basketball team of the American School Foundation of Mexico City, Mexico, will play the Hondo Owls at the new gymnasium at the Fair Grounds on January 6.

Ike Bankson, coach of the American boys, will bring his team here on what is probably the longest trip for a basketball team to make for a game. Mr. Bankson is a school chum of Coach J. G. Barry and will have a strong team with which to try to defeat his friend's Owls.

IT'S folly to suffer long from neuritis, neuralgia, or headaches when relief is swift and sure, with Bayer Aspirin. For 28 years the medical profession has recommended it. It does not affect the heart. Take it for colds, rheumatism, sciatica, lumbago. Gargle it for a sore throat or tonsillitis. Proven directions for its many uses, in every package. All drug stores have genuine Bayer Aspirin which is readily identified by the name on the box and the Bayer cross on every tablet.

Aspirin is the trade mark of Bayer Manufacture of Monaceticacidester of Salicylicacid

#### MAID WANTED

FOR WORK IN SAN ANTONIO

House and kitchen work, in family of two, residing in 4-room apartment. This will be a very desirable position for the right girl or woman. Maid will be furnished her own quarters, detached from the apartment but on same premises, consisting of bedroom and private bath etc. Good wages, and liberal time off in one of the best residence sections of San Antonio, right on car line. This is an exceptionally attractive position, and we want someone who will be fairly permanent. Give your address and whether you can be reached by phone. Write Mrs. H. U. Rhodius, Corner Broadway and Burr, Apartment Number 4, P. O. Box 828, San Antonio.

### TURKEY TALK

MY MARKET WILL BE OPEN FRIDAY, NOVEMBER 8, TO BUY TURKEYS. I WILL USE THE SAME METHODS IN BUYING THIS YEAR AS I HAVE IN THE PAST YEARS. I DO NOT HAVE ANY SPECIFIED WEIGHTS TO GO BY; THEREFORE, ANYTHING THAT IS WELL MATURED AND NOT ALL SKIN AND BONES WILL GO AS A NO. 1. THAT IS LEFT UP TO OUR JUDGMENT.

MY ADVICE, IS DO NOT SELL YOUR YOUNG BIRDS BEFORE THEY GET WELL MATURED. YOU LOSE IN WEIGHT AS WELL AS PRICE. YOU HAVE KEPT THEM THIS LONG, WHY NOT GROW THEM AS MUCH AS POSSIBLE? THE PRICE IS SO LOW THAT I DON'T SEE HOW YOU CAN LOSE MUCH IN PRICE, AND THE PRICE HAS PLENTY ROOM TO BE BETTER.

WE WILL GO ANYWHERE, ANYTIME WHEN YOU HAVE ANY AMOUNT OF TURKEYS TO SELL. WE BUY AT YOUR DOOR, WEIGH UP AND PAY YOU RIGHT THERE. GIVES YOU THE CHANCE TO KEEP BACK WHAT WE DON'T TAKE AS NO. 1 TO GROW MORE.

WE WILL NOT DRIVE ALL OVER THE COUNTRY EMPTY. THAT IS JUST AN ADDED EXPENSE THAT YOU WILL HAVE TO PAY FOR. WRITE OR PHONE ME FOR PRICES AND WHEN YOU ARE READY TO SELL I WILL ASSURE YOU THAT YOU WILL GET FULL VALUE FOR YOUR PRODUCE.

ALWAYS REMEMBER I AM NOT THE ONLY TURKEY BUYER; GET THEIR PRICES AND METHODS AND COMPARE OUR PRICES AND METHODS OF BUYING. THEN USE YOUR OWN JUDGMENT AS TO WHO TO SELL TO, AND I AM QUITE SURE YOU WILL SELL TO ME.

I HAVE ONLY ONE TRUCK DRIVER. WE DO MOST OF THE WORK OURSELVES; NOT MUCH OVERHEAD EXPENSE. YOU WILL GET THE BENEFIT OF THIS IN THE PRICE WE PAY.

PHONE NO. 138W.

#### ROBERT McNUTT.

Robert McNutt was born November 25, 1857, in Guadalupe County, Texas. He departed this life November 3 at El Paso, Texas. He was the son of Mr. and Mrs. J. H. McNutt. He was married to Miss Jennie Deal, September 20, 1881. To this union there were born six children. The oldest, John Robert, died in infancy. He leaves to mourn his departure his widow and five children, Henry, of San Antonio; Mrs. Fisher King, of Hondo; Lee, of Fort Worth; Martin, of Del Rio and Harvey, of California. One sister, Mrs. Harper Fly, two brothers and five grandchildren. He was converted a number of years ago at El Paso, the place of his death. He was a member of the Methodist church and lived a consistent Christian life.

Funeral services were held at the home of his daughter, Mrs. Fisher King, by her pastor, Rev. M. Williamson. The last rites were performed at the cemetery by the Masons, of which order he was a loyal member.

May the riches of divine grace, comfort and sustain the bereaved ones, and may the Christ, which he honored in his life, be real to each one.

#### PARENT-TEACHER ASSOCIATION.

A called meeting of the Parent-Teacher Association was held at the High School Building Monday afternoon to decide whether or not to go on with preparations for serving meals at the Medina County Fair. The committees in charge of affairs had met with very little encouragement in their efforts to procure the necessary aid from members of the Association on account of most of them having work on other committees at the Fair Grounds, therefore, the called meeting.

After quite a bit of discussion the Association voted almost unanimously to give up the idea of replenishing their treasury at this time but to try some other way at a later date, when members would have more time to lend aid.

The next regular meeting falling on November 11 and the Fair being in progress, it was decided to postpone the meeting until November 18.

#### POSTED.
